30 October 2024

Dear [REDACTED]

Further to our previous correspondence regarding your request for the following information:

I am requesting information in relation to the attached document which states that bone sampling was carried out in 1957-1958 with samples returned to AWRE for analysis.

Please provide the following:

1. *Details of the program and details of who ordered these samples*
2. *Full results of the samples and the outcome of the study*
3. *Details of the consent obtained to use these samples from the families*
4. *Details of any monies paid to the researchers for the samples*
5. *Details of when the program ended and if this practise is still continuing*

Your request has been handled as a request for information under the Freedom of Information Act 2000 (the Act).

We can confirm that AWE holds some of the information in scope of your request.

In relation to the information you have requested in questions 1,2, and 5 within the exemption provided for under section 21 of the Act (Information accessible to applicant by other means). Information in scope of your request can be found below.
